January 24, 2565 BC. - Innocent Witches - a game about an old pen pal. But this time, instead of writing letters, it will be necessary to save the city. You have to control the girl Evie, who received a message that an epidemic has begun among the inhabitants of the city. Evie needs to find out what really happened. The city is full of mysteries, mysteries and secrets. Your task is to get to the truth, solve the mystery and help the inhabitants. As in life, anything can happen here, including unexpected turns of events. Innocent Witches, as befits the genre, has three modes.
